

ENRICA DI VEROLI

Profile

I'm a very creative and down-to-earth person with long experience within product development, and design, all with a focus on Denim.

I've also got a good trend- and market overview with a good eye for detail. I like to work with a team and to meet people, but I also work efficiently on my own. I am very tolerant and easy to work with, and I'm a very good listener. I'm result and target driven with great enthusiasm and optimism.

I was Born in Italy, Rome on 30th of September 197
